Dear Parents, Carers and Friends

**Re: Welcome letter from the Chair of the Local Advisory Board**

At Park Hill Junior School, Local Advisors, staff, parents and children work together as a team, building on success, learning from our challenges, in a happy, creative, safe environment where everyone feels valued and appreciated.

As Local Advisors we become involved with a variety of issues including finance, pupil and staff welfare, policies and staff appointments. However, the purpose of the Local Advisory Board is to offer challenge and support to drive school improvements while ensuring clarity of vision, upholding the school ethos and maintaining our strategic direction. The diversity of the Local Advisory Board enable us to bring our unique skill set to help all aspects of school life.

We are very proud of the children in our school. We appreciate the passion and drive of all staff and parents that support our goals during the crucial primary education stage to enable our children to become socially and morally active participants in our community.

To keep you updated on what the Local Advisory Board do I shall be producing a termly newsletter. The first edition will set out my aspirations as Chair and what is expected of the Board, the training undertaken by Local Advisors and some key achievements in the last academic year.

We all have a vital role in shaping the lives of our wonderful children and I look forward to working alongside you this year to maintain high standards for all our children.

Kind regards

Mrs Beverley Montgomery
