Parent Consultations

Wednesday 16th January and Thursday 17th January 2019

Dear Parents and Carers

Parent consultations will take place with your child's class teacher on the afternoon of **Wednesday 16th January** and also after school until 7pm on **Thursday 17th January**. During this meeting the class teacher will discuss your child's progress and attitude to learning during the autumn term and also inform you of the next steps for the spring term which will secure further improvement in their learning.

We now have an *electronic booking system* which will go live today **Tuesday 8th January at 6.30pm**, through which you will be able to book an appointment. Please see the attached details of how to log in and set up your account.

If you are unable to access this system then please ring or come to the school office or see your child's class teacher after school and we will be very happy to assist you. We hope that this will be a system that works for everyone and would be very grateful for any feedback once you have used it and successfully attended parent consultation.

Yours sincerely,

The Park Hill Junior School Leadership Team
