Park Hill Values: Kind Community, Limitless Learning, Courageous Curiosity, Confident Communication and Sustained Success

Class	Child's Name	Type of Merit	Merit
3D	Hareem	Courageous Curiosity	Hareem for showing great improvement in her oracy skills. Hareem has been standing up to answer and speaking loudly and clearly. Hareem has also been having a go to answer questions even when she is not sure of the answer! Well done Hareem.
	Kavin	Limitless Learning	Kavin for consistently trying your best in your work. Kavin shows good concentration and contributes great ideas that help build on his classmate's answers. Keep it up Kavin!
3S	Chris	Sustained Success	Chris has shown sustained success by working hard to improve his times tables in maths. He stays focused and keeps practising, even when the learning is challenging. His effort is helping him become more confident and accurate
	Ethan	Kind Community	Ethan shows kindness in our community by waiting patiently and taking turns. He is polite to others and treats his classmates with respect. His positive behaviour helps make our classroom a happy place.
3U	Ivor	Respectful and Kind Community	Special merit from Mrs Cooper for his excellent letter to the MP Chris Philp about environmental issues which Mrs Cooper will send to him. Thank you Ivor!
	Jessa, Nico and Aadidev	Sustained success	During world book day these three children in particular impressed Miss Kitoko with their skills in making the bookmarks. They all made lovely book marks to use in their own reading books.
3U	Oliver	Courageous curiosity	Oliver has used his curiosity in bringing in a book that is all about history to share with the class. He has used some of these facts to level up his knowledge of the Bronze age.
4E	Nicole	Limitless Learning	Nicole showed great resilience in maths this week. She found the learning challenging and wanted to give up but she didn't and was able to solve it!

	Enes	Sustained Success	Enes has been very reflective and listened to advice from adults, this has led to him making lots of great progress. Well done Enes!
4F	Shivram, Minnie, Khloe	Kind Community	These children stayed behind after the book day catwalk to tidy up the hall. Not only this but they have been consistently helpful all week and aiding the teacher with a number of jobs, and simply offering their help without being asked. Your kindness is so appreciated!
	Adeola	Limitless learning	Today for the first time Adeola got 10/10 on his spelling test on EdShed with no help! We are so proud of you Adeola, well done
4H	Neil	Limitless learning and Kind community	Neil has shown limitless learning while always doing his learning and when he has finished he always offers to help anybody who may need it. Well done Neil!
	Elena	Limitless learning	This week Elena created such great planning for her story! She added so much detail using her knowledge of rainforests. Great work Elena!
5I	Stella	Respectful and Kind Community	Special merit from Mrs Cooper for her beautiful poem about Showing the Love for our Planet. Thank you Stella for all your kindness for people and the planet!
	Jake	Curious Curiosity	Wow, Jake! Your World Book Day outfit was absolutely fantastic! You showed brilliant creativity by using cardboard to create such a clever Greg from Diary of a Wimpy Kid costume. You really brought the character right off the page. Amazing job!
	Zahra, Rosie, Nadia and Farah	Kind Community	A huge thank you and well done to Zarhra, Rosie, Farah, and Nadia! You girls showed wonderful initiative by giving up your lunch break to decorate our class windows. By bringing in the green hearts you kindly made at home/school and combining them with the class's hearts, you put together a truly lovely window display. Thank you for your hard work and teamwork—go green!
5K	Aadya and Harinika	Limitless learning	A merit to Aadya and Harinika for reflecting on their behaviour and making the right choices so they can focus on their learning and make good progress. They have shown a positive change in their attitude, demonstrating that they are capable of achieving limitless learning.

	Kieron and Burhan	Sustained success	A merit to Kieron and Burhan for showing sustained success in their learning. They have worked hard to overcome their barriers and have impressed me with their news report writing, especially in following the correct layout and using conjunctions effectively.
5M	Enzo	Kind Community	Enzo continues to show kind community by showing respect when adults are talking by actively listening, facing the adult and waiting for the adult to finish speaking. Enzo is always polite and helpful and kind to everyone and cares even for the smallest creatures, making sure we show the love for the world we live in. Well done Enzo!
	Eliana	Sustained success	Eliana has worked extremely hard at sustaining success, she makes extra effort to ask for support in class from her teachers and peers, she uses her confident communication to share her understanding, she has also gone home and brought in her 'maths practise book' where she has been practicing topics we learn in class. Through her hard work and diligence she has made, she has made fantastic progress in class and also in her Spring 2 assessments. Well done Eliana!
6A	Mishika and Nikki	Respectful and Kind Community	Special merit from Mrs Cooper for their fantastic letter to the MP Chris Philp about environmental issues which Mrs Cooper will send to him. They worked hard on it at home together and we appreciate this very much! Thank you and well done!
	Amiera	Limitless learning	For her wonderfully creative costume on world book day. She put in a lot of effort and made sure to really bring her character to life through her actions too!
6H	Nell	Limitless learning	Nell showed great enthusiasm during the world book day activities. Thank you for your engagement and on top of this your costume was exceptional!
	Santhosh	Kind community	Santhosh is a very kind and helpful member of 6H. He shows respect and kindness to everyone and he is a pleasure to have in the class.
6M	Zoheb	Kind community	Zoheb did a great job this week explaining arithmetic concepts to a peer to help them succeed. Thank you, Zoheb, for your kindness and for sharing what you've learned to help others grow
