Park Hill Values: Kind Community, Limitless Learning, Courageous Curiosity, Confident Communication and Sustained Success

Class	Child's Name	Type of Merit	Merit
3D	Adam	Limitless Learning	Adam for sharing your ideas in our poetry lessons so clearly and helping everyone in our class think more deeply about what it means fantastic work!
	Mila	Limitless Learning	Mila for doing a fantastic job publishing your poem. You worked quietly and showed great focus, and your presentation was amazingly well done!
3S	Amayas	Limitless Learning	Amayas wrote a fantastic poem using rich adjectives and interesting phrases to bring a city scene to life. His writing showed creativity and engaging imagery. Well done Amayas!
	Mara	Limitless Learning	Mara wrote a fantastic poem after completing her work, choosing to apply her learning in her own time. She used interesting adjectives to bring her ideas to life, showing real creativity and initiative. Well done Mara!
3U	Manzor and Jessa	limitless learning	this week we have been using figurative language to write our free verse poems. When reading over both Manzor and Jessa's poems I had a moment where I just said wow!
	Mourikhaa, Samyak and Anaisha	confident communication	When these children were sharing their Geography presentations with the class, all of them were clear and able to answer questions about the information that they had found. Well done team!

4F	Advik and Vihaan	Sustained Success	Miss Fairtlough has noticed a huge improvement in the behaviour of these two pupils. They are so focussed in class and have been kind and respectful. They really deserve a merit this week. Well done boys!
	Isabella (coleridge taylor)	Confident communication	Isabella joined our school on Monday and she is new to learning English as her first language in Spanish. She has been super brave despite not knowing much English and has followed all the school rules aand made lots of new friends. (Mrs Griffin please ask the children in the hall to say 'Bienvenidos' to Isabella pronounced 'Bee-Enn-Veh-Nee-Doss')
4H	Gracie and Grace	Kind Community	Grace and Gracie showed such kindness this week in ensuring that everyone feels welcome and included in the classroom. Thank you!
	Ismeal (Latham)	Confident communication	Ismeal joined Park Hill on Monday and is new to speaking English. He has been incredibly brave, showing great confidence and already making new friends. (Mrs Griffin please ask the children in the hall to say 'Bienvenidos' to Ismeal pronounced 'Bee-Enn-Veh-Nee-Doss')
5I	Stella	Limitless Learning	Stella demonstrated true Limitless Learning this week! After our music lesson, she took the initiative to go home and learn the remainder of our song on the keyboard. She came back to school today and played it beautifully. I am so proud of her dedication and independence. Fantastic effort, Stella!
	Luke	Confident Communication	Luke delivered a wonderful presentation about his trip to Guadeloupe! He used confident communication to share his experiences with the class, speaking clearly and engaging his audience. He even taught us all about the local flora and fauna. What a fantastic way to share your knowledge, Luke. Keep up the amazing work!
	Farah	Sustained Success	Farah has truly impressed me with her amazing leadership skills this week! She has taken the initiative to step into leadership roles and support other children with their

			learning. A shining example of her sustained success was when she confidently delivered a PE activity, making sure to encourage and support everyone. I am so proud of you, Farah!
5K	Arav and Rohan	Limitless learning	Arav and Rohan have clearly explained their mathematical thinking using STEM sentences and precise mathematical vocabulary, demonstrating a strong understanding of concepts. They have shown limitless learning by challenging themselves with deeper questions, solving them in different ways, and confidently proving their answers.
	Grayson	Kind community	Grayson has been a fantastic member of Class 5K, building strong friendships and making tremendous progress throughout the year. As he leaves school and attends his final merit assembly, he will be greatly missed and we wish him every success in the future.
5M	Josyln	Sustained Success	This week Josyln has worked extremely hard in maintaining a high standard of learning by actively listening, engaging in input and pushing herself to complete challenges. Josyln particularly did this in her problem solving task in maths, where she confidently shared where she had made a mistake in calculating the unknown side lengths of a hexagon using the perimeter, and through careful listening to the teacher, quickly identified where her mistake was and corrected it. Well done Josyln!
	Kai	Confident communication	This week Kai has used his confident communication to share some of his ideas and thoughts in lessons as well as share some of his challenges with his trusted adults. Well done Kai!
6A	Mastora	Sustained Success	Well done Mastora for working very hard and stayed focused, and made clear improvements in her learning. Her determination and positive attitude have really stood out—well done, Mastora!
	Eleni and Vivvi	Sustained Success	Eleni and Vivvi have shown sustained success through their consistent effort and determination. They always try their hardest in every lesson and have made excellent progress in

			their learning. Their positive attitudes and commitment to improving are fantastic to see—well done to both of you!
	Amir, Namish, Marcelo, Vaseegaran	Limitless Learning	For Super Special Effort in creating their hip hop music and working on it at home
6H	Maira and Miracle	Sustained Success	Maira and Miracle have a wonderful attitude to their learning and work hard in every lesson. They demonstrate wonderful learning behaviours and are great role models for the rest of the class. Well done girls!
	Karthik	Limitless Learning	For Super Special Effort in creating their hip hop music and working on it at home
6M	Zak	Limitless Learning	I was so impressed with how Zak tackled our GPS lesson on clauses today. He is developing a brilliant knack for recalling new information quickly and, most importantly, he's using that skill to support his peers. Well done Zak!
	Rushil	Limitless Learning	For Super Special Effort in creating their hip hop music and working on it at home

Caught in the Act-

6A - Vivi and Eleni. Always wanting to help with keeping our school clean and presentable. Each day this week both girls have taken it upon themselves to make sure there is no litter on the field and in the playground without being asked.
