

## December Newsletter

### We did it again!!

A huge thank you to everyone for making the Christmas Fair a success including committee members, teachers, children, and volunteers. These events are a tremendous team effort. Also thank you to all for your kind donations for the fair, much appreciated. Some local businesses as well as some parents were kind enough to donate fantastic raffle prizes.

Congratulations to all the raffle prize winners. All winners please bring your winning ticket and collect your raffle prize from the Junior School office before the end of next week.

The annual fireworks event will now be in the Junior School Playing Field, on **Friday 19<sup>th</sup> January**. All the volunteers and committee members are gearing up to make this an enjoyable event. Please join us and be part of this fantastic display. We will have entertainment for the whole family with the colourful fireworks set to music, delicious hot food, a fantastic array of glow toys and traditional mulled wine. All profits go directly to benefit the children at Park Hill Infant School and Park Hill Junior School. Tickets will go on sale in January.

Our Clothes Recycling Project [Bag2School](#) has generated **£200** this term. Thanks to all for recycling your unwanted items. Our next recycling project will be announced soon.

For those who were unable to bring the recycling into school because of health, childcare or work commitments, we've teamed up with **Genie Recycling** ([www.genierecycling.com](http://www.genierecycling.com)) where you can donate online from your home. While requesting Genie Recycling Packs, please remember to fill in the **first name** box with YOUR FULL NAME, **surname** with **PHSA** and **Payment method** **DONATE TO SCHOOL**. This will allow Genie Recycling to identify that the payment is to be made to the PHSA account. You can book a collection date convenient to you. For us to track the donations please email [phsa.croydon@gmail.com](mailto:phsa.croydon@gmail.com) with your name, date of collection and unique reference number.
